Madam/ Sir,

**Subject: BHEL India seeks partners i) Electrolyser System for Hydrogen Production
ii) Hydrogen based PEM Fuel Cell System**

Season`s best greetings from Bharat Heavy Electricals Limited (BHEL) India!

BHEL is a leading state-owned company, wherein Government of India is holding 63.17% of its equity. BHEL is an integrated power plant equipment manufacturer and one of the largest engineering and manufacturing organization in India, catering to the core infrastructure sectors of energy, transportation, heavy engineering industry, defense, renewable and non-conventional energy etc.

BHEL is seeking interest for partnering with BHEL to address growing Hydrogen economy business through manufacturing of:

- a) Electrolyser System for Hydrogen Production
- b) Hydrogen based PEM Fuel Cell System.

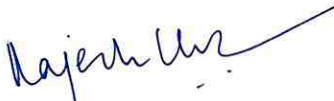

We have uploaded the EoI document at BHEL website (www.bhel.com) and the same is also available through the following link:
