Dear Sir / Madam,

**Subject:** Expression of Interest (Eoi) for Technology tie-up for Ash Handling System and High Concentration Slurry Disposal (HCSD) System

Bharat Heavy Electricals Limited (BHEL) is a leading state-owned company, wherein Government of India is holding 63.17% of its equity. BHEL is an integrated power plant equipment manufacturer and one of the largest engineering and manufacturing organization in India, catering to the core infrastructure sectors of Indian economy viz. energy, transportation, heavy engineering industry, defense, renewable and non-conventional energy.

BHEL seeks responses from reputed Original Equipment Manufacturer (OEM) of Ash Handling System and High Concentration Slurry Disposal (HCSD) System for technology transfer and collaboration on a long term basis to design, engineer, manufacture, assemble, test, supply, erect, commission, repair, service and retrofit the Ash Handling System and High Concentration Slurry Disposal (HCSD) System as specified in this EOI.

In this regard, BHEL has floated an Expression of Interest (Eoi) seeking response from respondents who are meeting the requirements of the Eoi and are willing to be associated with BHEL through a License & Technology Collaboration Agreement.

We solicit your kind support to advise commercial section of your High Commission/Embassy to publicise our Eoi document among technology owners of Ash Handling System and High Concentration Slurry Disposal (HCSD) System.

We have also uploaded the Eoi at BHEL's website under Eoi section.

Thanking you,

Yours sincerely,

(R.C. Sharma)
